PROFESSIONAL SUMMARY

Performance-driven Marketing Analyst with a strong foundation in paid media, growth analytics, and full-funnel strategy across global markets. Experienced in leveraging automation, predictive analytics, and AI tools to optimize campaign ROI, streamline reporting, and improve customer acquisition. Proficient in GA4, SQL, Tableau, Python, & R, with a track record of transforming marketing data into actionable business insights through cross-functional collaboration.

EXPERIENCE

Elizabeth Jewelry Inc. <i>Marketing Analyst</i>	New York, NY <i>February 2025 - Current</i>
- Leveraged AI-powered optimization tools to analyze paid media performance across Google, Meta, TikTok & Amazon; reallocated \$200K budget and improved ROAS by 42% over two quarters. - Used GA4, Tableau & Looker to perform full-funnel analysis; insights into attribution models reduced CAC by 15% and improved campaign ROI. - Conducted multivariate A/B tests across landing pages and email, CTAs; optimized conversion paths and achieved a 25% uplift in sales and a 17% drop in bounce rate. - Automated lifecycle campaigns using Klaviyo, Make, and n8n with AI-triggered workflows; improved activation by 33%.	
Marketing Analytics Intern	<i>May 2024 - August 2024</i>
- Increased website traffic by 4x and revenue by 30% by optimizing campaign performance and user experience using data-driven insights from heatmaps, session recordings, and funnel analytics. - Mapped user journeys across touchpoints using Microsoft Clarity and Hotjar; uncovered 3 critical drop-off segments, leading to a 22% increase in re-engagement and 18% lift in sales conversions..	
Upview Inc. <i>Digital Marketing Manager (Part-Time)</i>	Bonita Springs, FL <i>December 2022 - July 2023</i>
- Led marketing campaigns that grew qualified leads by 10% MoM and boosted SEO rankings across 30+ content pieces. - Managed newsletters in Hubspot; achieved 70% open rate from hot leads, 20% from cold.	
Growlytics Technologies <i>Product & Client Growth (Part-Time)</i>	Banglore, India <i>December 2022 - July 2023</i>
- Partnered with product and engineering teams to identify feature gaps, conduct UAT, and prioritize roadmap items based on client feedback; improved adoption across 30+ B2B clients. - Advised clients on go-to-market execution using our marketing automation suite (email, SMS, push); increased time-to-value by building use-case-driven user flows and channel orchestration strategies.	
IIDE (Indian Institute of Digital Education) <i>Paid Media Associate</i>	Mumbai, India <i>July 2021 - November 2022</i>
- Managed & executed full-funnel paid media strategies across Google, Meta, LinkedIn, Quora, and Bing; optimized campaigns to reduce CPL by 28% and increase lead quality. - Built automation workflows using Make, APIs and webhook-based triggers; personalized CRM email/SMS journeys based on user behavior, increasing funnel velocity by 30% and boosting qualified lead conversion by 22%. - Used Python to automate dataset workflows and generate marketing performance dashboards; leveraged pivot tables and lookups to uncover trends and cut reporting workload by 40%.	
Glad U Came <i>Digital Marketing Executive</i>	Mumbai, India <i>July 2020 - July 2021</i>
- Led campaign strategy using Google Ads, Facebook Ads and email marketing, resulting in a 20% increase in brand visibility. - Worked cross-functionally with design, content, and web teams to improve websites, SEO performance, and ad copy alignment, resulting in a 30% boost in organic traffic and stronger brand recall.	
A&B <i>PPC Intern</i>	Mumbai, India <i>May 2019 - January 2020</i>
- Managed \$1 million budget portfolio & created paid media strategy, optimizing ad performance with 15% ROI increase. - Overlooked performance marketing for major national e-commerce brands, delivering a 10% increase in conversion rates.
